SJC Opens Calumet Extension; Father Martin Named Director

St. Joseph's College will initiate a Calumet area extension division in Hammond this September for both adult and college-age students, the Very Rev. Raphael H. Gross, president of St. Joseph's has announced.

Father Gross stated that in this venture he has received the wholehearted approval and encouragement of Mayors Vernon C. Anderson of Hammond, Eugene H. Swartz of Gary, Frank J. Migas of East Chicago, and Andrew S. Kovachik of Whiting.

To be known as the Calumet Center, the extension will be housed in the new wing of Bishop Noll high school, 1435 Hoffman street, and will have as its director the Rev. Henry J. Martin, Ed. D., associate professor of education at St. Joseph's.

Arrangements for the use of class rooms and library facilities were completed last week with the Rev. Alfred J. Junk, principal of Bishop Noll high school, Father Martin said.

Open to Non-Catholics

The extension will be open to all, Catholic and non-Catholic, men and women. Father Martin added that only extension students under 21 years of age will be required to show proof of high school graduation.

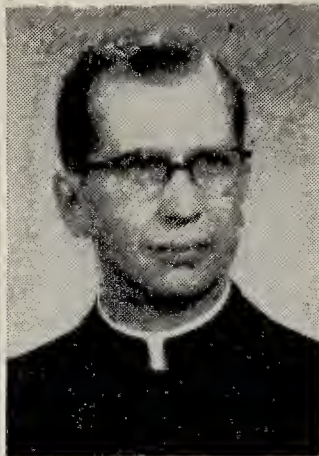

Courses will be arranged on the semester system with classes held on Tuesday and Thursday evenings. Classes scheduled for Thursday will begin September 13; Tuesday classes will start September 18. Each course will meet once weekly from 7:15 to 9:45.

11 Courses of Study

As envisioned at present the Calumet Center curriculum for the fall semester will consist of 11 courses: Christian Marriage and the Family; General Classes of World Literature; Fundamentals of Speech; Cultural Anthropology; Man and Mankind—Past and Present (an introduction to the social sciences); Understanding the Great Musical Masterpieces; Medieval Background of Present Day Europe; Constructive Accounting; Salesmanship; and Beginning Shorthand.

Credits earned at the Center will be recognized by St. Joseph's the same as credits earned on the campus, Father Martin stated, and they may be applied toward a degree. Except shorthand, each of the courses passed successfully merits (Turn to Page Three)

New President

Father Gross

Father Gross Assumes Presidency on July First

The Very Rev. Raphael H. Gross, assistant professor of English here, assumed the office of president of St. Joseph's on July 1, succeeding Father Alfred Zanolar, who retired from office after serving as president since the fall of 1948.

Father Gross was ordained in 1938 and was engaged in parochial work at Gettysburg, Pa., for two years before his assignment to St. Joseph's in 1940. He earned his Master of Arts degree at the University of Michigan in 1941, and then taught here for six years. For two and a half years he did graduate work at the University of Montreal, Canada pursuant to a doctorate in English, and returned to Collegeville at the beginning of the last semester.

"A Century of the Catholic Essay," edited by Father Gross was published in 1946, and has enjoyed a wide circulation. He has also contributed to a number of literary journals.

Father Zanolar Assigned

Father Zanolar, who now becomes Master of Novices at St. Mary's Novitiate, Burkettsville, Ohio, where he will be charged with the spiritual formation of students preparing for the priesthood in the Society of the Precious Blood and of young men aspiring to the brotherhood in the Society, has taught at St. Joseph's since 1936. Before his appointment to the presidency of the college, he taught mathematics and physics, and served for a short time as assistant registrar. During his tenure as president, St. Joseph's was accredited by the North Central Association of Colleges and Secondary Schools.

Lake Co. Alumni Meet at Dinner To Name Officers

Lake County alumni met at a dinner in the Panel Room of St. John's School, Whiting, Ind., Wednesday evening, July 11, to reactivate the Chapter, to elect officers, and to lay plans for future gatherings.

Fifty former students of St. Joseph's greeted Father Raphael Gross, new president of the college, who was guest of honor and who in the course of his address, announced the opening of the Calumet Center, extension of St. Joseph's in Lake County, in September.

Five Officers Chosen

Following the dinner, chapter officers were elected for the current year. Dr. Frank Benckik, East Chicago, was chosen president; Rev. Clemens Koors, pastor of St. Francis Xavier parish, East Gary, vice-president; Frank Stodola, Hammond, secretary; William Kennedy, Crown Point, treasurer; and Rev. Joseph Smolar, Collegeville, chaplain.

At a business meeting the following items were discussed and adopted: a) Meetings will be held at least four times each year, each in connection with an alumni dinner; b) The Spring meeting will be held on the third Wednesday after Easter (Feast of the Solemnity of St. Joseph), with the wives and girl friends of alumni as guests at a dinner-dance; c) Tentative plans for a golf tournament to be held in August, with James Buckley in charge of arrangements.

Guests Speak

In addition to Father Gross, St. Joseph's was represented at the dinner by Fathers Kaiser, Baird, Smolar and Martin. Msgr. Edward Mungovan, oldest Lake County alumnus, and Mr. A. Lincoln Piotrowski, National President of the Alumni Association, were seated at the speakers' table and briefly addressed the meeting.

Death Summons Three Old Grads

Word of the death of three alumni has come to the central office within the past few weeks. The charity of alumni prayers is asked for the following: John Seitz, '00, died at Dayton, Ohio, May 17, 1950; Richard W. Heinlen, '10, died at Detroit, Mich., May 24, 1951; and Walter Gorden, ex-'20, died at Washington, Ind., May 18, 1951.

Piotrowski Chosen to Lead Alumni; 14 Represent '31ers at Reunion

New national officers, chosen by postal ballot to direct the affairs of St. Joseph's College Alumni Association for 1951-52, were inaugurated in brief ceremonies following the annual dinner, Sunday evening, June 17.

Elected to serve as president of the Association is A. Lincoln Piotrowski, '43, of Chicago. Bernard F. Sutton, '35, of Huntington, Ind., was named 1st vice-president, and Fred J. Thieme, '15, of Lafayette, Ind., 2nd vice-president. Four alumni were chosen as members of the Board of Directors for a term of three years. They are: Joseph J. Faulkner, '41, of Lafayette, Ind.; Clarence T. Kuhn, '50, of Schererville, Ind.; John W. Lynch, '50, of Mishawaka, Ind.; and Frank J. Novak, '32, of Detroit, Mich.

About 100 old grads returned to the campus for the 1951 alumni reunion, with 14 members of the class of '31 taking part in that group's twentieth anniversary reunion, and five members of the class of '26 renewing old friendships on their silver jubilee.

A buffet supper was served in the Rec Hall on Saturday, beginning at 5:30. Class reunions, informal gatherings and group singing consumed the evening hours.

A High Mass for living alumni was the first item on Sunday's agenda. A softball game (alumni vs. students, and won by the alumni) was played in the afternoon.

The Very Rev. Alfred J. Zanolar, president of the college, was

the first speaker at the alumni dinner, Sunday evening. He welcomed the old grads and briefly reviewed college events of the past year.

Out-going alumni president Clarence M. Sieben thanked the members of the Association for the cooperation shown him during his term of office, and then introduced his successor in office, Mr. Piotrowski, who asked for the continued support of the alumni, and pledged himself to do his utmost to make 1951-52 a banner year in the Association.

The following men spoke for the jubilee classes: Rev. Christian Daniel, class of '96; Herman H. Leugers, class of '11, Rev. Henry Schaeffer and Joseph O'Brien, class of '21; Chaplain Robert Baird, class of '26; Joseph F. Gibson, class of '31; William Kozelski, class of '41; and John Thieme, class of '46.

Following a Requiem Mass for deceased alumni, Monday morning, the annual Golf Tournament was held at Curtis Creek Country Club, with 20 men participating. Rev. Henry Schaeffer sank a 10-foot putt on the final hole to win the tournament. Clarence Kuhn was second, and Charles Vichuras, third.

215 RESPONSES

The 1951 drive for the Living Endowment Fund is in its fifth month. Contributions of alumni came in rapid succession during the first month of the drive, but at the moment, due perhaps to the fact that many alumni are vacationing, things are at almost a complete standstill.

Your Central Office takes this occasion to urge those alumni who have not yet contributed to the 1951 drive to do so soon. Any amount, however small, will be appreciated. Thus far, of the 3,800 alumni addressed, only 215 have responded, but they have been quite generous, to the tune of \$2,917.00.

May we look for your contribution soon?

Two Novenas Scheduled For Our Lady's Shrine

Conversion of Russia and World Peace are the special intentions of the pilgrims to the Sorrowful Mother Shrine at Marywood, Ohio this summer.

The summer schedule at the Shrine includes Sunday Mass at 9:00 a.m., Sunday Pilgrimages at 3:00 p.m., daily Mass at 8:30 a.m., and Novena devotions, Friday evenings at 8:00 o'clock.

Two Novenas are scheduled for the summer months. The annual Assumption Novena will begin on Saturday, Aug. 11, and the Sorrowful Mother Novena will open on Saturday, Sept. 8.

The Sorrowful Mother Shrine, with Rev. Albin J. Scheidler, '04, director, is at Marywood, at the junction of Highways 4 and 269. All times mentioned in the schedule are Eastern Standard.

Scholarships Get Boost in Detroit

Thirty alumni (25 percent of the total membership) of the Greater-Detroit Chapter and 20 members of the Seminary Mothers' Club of Detroit combined their efforts on June 14 to stage their first annual Card Party Benefit for the Chapter's Scholarship Fund.

Father Joseph Hiller, of St. Joseph's faculty, was guest of honor, and spoke on the need of alumni and parochial support of scholarship foundations. Over 400 persons from seven Detroit parishes heard Father Hiller's plea for increased popular support for Catholic, specifically St. Joseph's College, education.

According to plans slowly being formulated by the Greater-Detroit Chapter, the alumni, through their foundation will support young men during their college years, if they fulfill certain qualifications. These include 1) a high academic rating from parochial high schools of the Detroit area; 2) definite plans regarding their college career (at St. Joseph's); 3) definite financial needs. There are no competitive examinations contemplated. A standard evaluation for the above qualifications has been worked out with the School Office of the Archdiocese of Detroit by means of which a committee of Detroit alumni, with the consultation of their chaplain, can determine those who merit the funds.

The first annual benefit has netted close to \$600.00, sufficient, it seems, to establish two partial scholarships to St. Joseph's already this year. Seven candidates have already presented themselves as possible beneficiaries of the funds.

Summer Session Begins June 23 On Busy Campus

The summer months at Collegeville have been teeming with activity. First on the list of events was the annual retreat of the clergy of diocese of Lafayette, which began on June 11 and continued until the 15th. Held simultaneously with this retreat was another for the Christian Brothers of Ireland who teach at Leo High School, Chicago, which concluded on June 20.

St. Joseph's alumni returned to Alma Mater on June 16 for three days of festivities. The following week-end members of Alcoholics Anonymous had the first of two retreats on the campus.

Other events scheduled for the month of June were the Eucharistic Family Day, sponsored by the Holy Name Society of the diocese of Lafayette, on Sunday, June 24; the Gregorian Institute of Church Music, June 24-29, and the annual Servers' Picnic on June 26. With Father Martin in charge of arrangements, more than 750 boys from parishes of the diocese and Lake County were on the campus for the day-long outing. Summer School classes began on June 23 and continued until Aug. 4.

Xavier's Parents Here

July got underway with Xavier Hall students' annual Parents' Day on the first day of the month. It was marked by a Solemn High Mass, sung by the College Choir, in honor of the Precious Blood, campus tours, a picnic dinner at Xavier Park, an informal program, and family visiting.

The Fathers of the Precious Blood began their annual retreat on July 23, under the direction of the Rev. Gabriel Diefenbach, O.F.M. Cap. The Chicago Bears arrived on the campus for the eighth consecutive year for summer training on Aug. 1.

Clergy Confer

A second Alcoholics Anonymous retreat will be held Aug. 17-19, to be followed on the 21st by a Clergy Conference on Alcoholism (Turn to Page Three)

Fatima Statue To Visit Campus

A unique opportunity to see a famous statue will be offered St. Joe students next semester, when the Pilgrim Statue of Fatima will be exhibited here on the campus Oct. 7, the Feast of the Most Holy Rosary. Arrangements for the exhibition were concluded recently by the Sanguinist Club.

St. Joseph's thus becomes one of the chosen places throughout the United States where this replica of the original statue at Fatima, Portugal, is to be shown. Already seen by more than 2,000,000 people in this country, the statue is expected to draw many visitors from the Lafayette diocese and surrounding area.

Geology Students On Western Trip

Fourteen geology students from St. Joseph's, under the direction of Father Carl Nieset, applied their classroom knowledge directly to diverse rock formations of the West during a two-week, 4000-mile field trip which got under way Monday, June 11.

Taking in seven states, the group's route included the Rocky Mountains of northern Colorado, copper mining districts in Utah, Big Horn Mountains and Yellowstone National Park in Wyoming, the Black Hills and the Badlands of South Dakota, and the unglaciated area of Wisconsin.

Travelling by automobile and camping out, the local rock specialists were self-sufficient in their travels even to the extent of having daily Mass said at a portable altar.

The trip, which is an annual feature of the Department of Geology, gains a student two upper-level credit hours.

EXTENSION

(Continued from Page One)

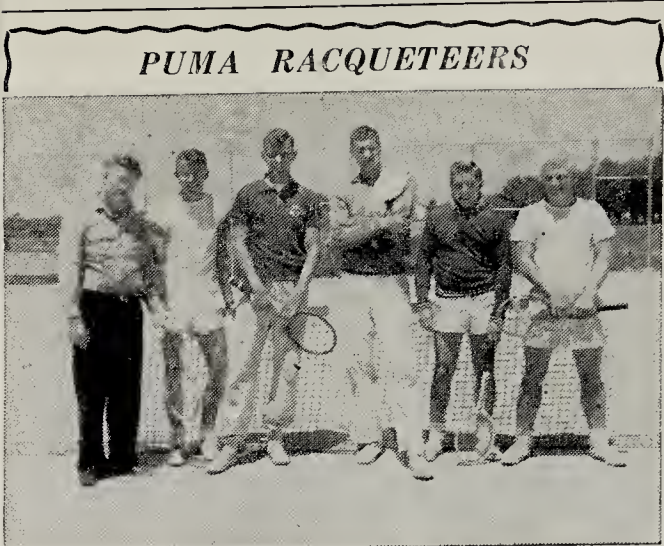

three semester hours of credit for the student. Shorthand carries no academic college credit.

Calumet Center's faculty will consist of lay and clerical members of St. Joseph's campus staff in addition to qualified personnel from the Calumet area.

Impetus for the Center was provided several years ago when members of the clergy and laity in Lake County expressed a desire for educational opportunities on the collegiate and adult levels. Father Martin added that a faculty committee has been studying the possibilities of an extension in Lake County for over a year.

The director indicated that more courses will be offered in time if there is a demand for them. He said that future plans include the designing of curricula to permit degree-seeking students to fulfill their general education requirements before completing specialized courses on the campus. Normal general education requirements are equivalent to approximately the first two years of college.

High School Boys Enjoy Retreat Here Treasurer Named To Lead Catholic College Groups

Unanimous approval was accorded the retreat which was conducted on the campus the week end of April 27-29, by the 36 third and fourth-year high school youths of the Lafayette diocese who participated.

In answer to questions, all the boys agreed that they had profited from the retreat, that they would make another, if given the opportunity, and that St. Joseph's should schedule other retreats in the future.

Campus Changes

Rev. Norman Koller, Dean of Men, succeeding Father Joseph Sheeran, Father Sheeran is undergoing treatment in Louisville for a serious case of iritis. It is hoped he will be able to resume his teaching in the fall.

Rev. Alvin Burns, Business Manager, replacing Father Brickner who is now assistant at Holy Family Con-cathedral, Tulsa, Okla.

Rev. Raymond Cera, Rector of Xavier Hall, succeeding Father Kilian Dreiling, who is returning to the Mission Band, Cleveland.

Rev. Clement Kuhns, Band Director, relieving Prof. Tonner, who will, however, continue to teach music on the campus.

Mr. Fred Jones, intramural athletic director, and Mr. Ralph Cappuccilli, speech instructor and director of dramatics, will not be on the campus this fall. The former is pursuing courses at Purdue U. and Mr. Cappuccilli is temporarily taking over his father's business in Monroe, Mich.

SCHOLARSHIP CHECK

Intermission in the Band Concert given on Parents' Day brought Father Zanolar, College President, to the band shell on the campus, where he greeted the parents and welcomed them to Saint Joseph's. Pictured above are Mrs. James Walsh, committee chairlady, and Mrs. Tad O'Connell, president of the Chicago Mothers' Club, presenting a \$500 check to Father Zanolar. The check is to be used to establish a scholarship here.

Netters Trounce State in Finals

St. Joseph's Puma racqueteers ended the 1951 campaign with five victories, four losses and one tie, as they bowed to Butler, 6-1, on May 23, and whitewashed Indiana State, 6-0, the following day.

The Butler-Puma match was an all-Butler affair almost all the way. Joe Hawkins and Ed Pluth were the only Pumas to win, as they downed Leverenge and Daubert, 1-6, 6-0, 6-1 in a doubles match.

Hawkins battled valiantly in his singles match before bowing to Leverenge in three bitter sets, 7-5, 7-9, 3-6. Davey was the only other St. Joe netter to come close to victory, when he extended Cotton to three sets before losing. The first set was all Davey, 6-1, but the second and third sets went to Cotton after a bitter struggle, 1-6, 6-8. The Bulldogs won the other matches with comparative ease. Pluth lost to Laetch, 4-6, 2-6; Davis defeated Braithwaite, 6-1, 6-1; Zimmer fell before Dankert, 4-6, 2-6; and Davey and Zimmer went down in defeat before Davis and Laetch, 5-7, 2-6.

State Easier

The following afternoon, the Pumas who could not win against Butler could not lose to Indiana State, blanking the State netmen, 6-0.

Hawkins started the victory parade with an easy triumph over McCabe, 6-1, 6-2. Pluth followed suit and downed Fallowfield, 6-2, 4-6, 6-2, after a bitter struggle. Braithwaite thumped Rahe, 6-1, 8-6, and Davey humbled Evers, 6-3, 6-4.

The doubles matches provided the Pumas with a bit more competition, as both St. Joe duos were extended to three sets before registering wins.

McCabe and Fallowfield gave the Hawkins-Pluth combination a rugged workout before being subdued, 7-5, 6-8, 8-6, and Schnieders, and Zimmer had a tough time before defeating Rahe and Evers, 6-3, 2-6, 6-0.

Chicago Bears' Coach Speaker at Banquet

Principal speaker at the annual Athletic Banquet, was John L. "Paddy" Driscoll, famed Backfield Coach of the Chicago Bears, former collegiate and professional star in his own right, and father of St. Joe Freshman, John Driscoll, Jr.

Paddy has been in his present position with the Bears since 1941, and previous to that held the job of head coach at Marquette University.

Starred with Four Teams

He began his career as a backfield luminary at Northwestern University, and subsequently went on to play alongside George Halas on the championship Great Lakes aggregation of 1918. His Pro days were begun in 1920 with the Chicago Cardinals, with whom he played six seasons, including two as player-coach. He then moved up to the North Side of Chicago to rejoin Halas and the Bears for two more seasons. Driscoll retired from active play at the end of the 1928 campaign, recognized as one of the greatest stars in football annals, and ranked by some as an all-time All-American.

Young John Driscoll is in his first semester at Collegeville, having transferred here from Cornell University, where he played Freshman Football.

"Velvet Evening" Proves Best Prom In St. Joe History

Combining months of preparation with plenty of labor and hard work, the Junior Class, on May 11 and 12, produced what was generally regarded by those present as the most successful Junior Prom St. Joseph's has ever witnessed. Elaborating on the central theme of a "Velvet Evening," this annual event blossomed profusely into a myriad of glimmering lights and crepe paper decorations, the like of which many agreed would be hard to duplicate.

From its first, incipient moments until the clock tolled three Sunday morning, 160 happy couples enjoyed the lavish and thorough preparations which had gone into this week-end, honoring the departing seniors. Under the tutelage of Chairman Frank Pavalko, the Prom festivities began Friday night with a hayride through the college grounds, and an informal dance and marshmallow roast in the Recreation Hall. Saturday afternoon was occupied by touring the campus and attending the St. Joe-Ball State baseball game.

Alumnus Plays

The Prom itself began at 9:00 P. M. Saturday night, with Bob Doran and his orchestra providing the music while Collegeville couples danced under a low, multi-colored roof in the reconverted field house.

As the prom-goers entered, they were met by doorman Reid Mackin, who escorted them through a long archway to the dance floor proper, where the center of attraction was the illuminated fountain, throwing a rainbow-colored spray into a pond of live gold fish. Candlelit tables were arranged at the sides of the dance floor and beyond, at which couples were served refreshments. Prominently situated were the hosts, Mr. and Mrs. Richard Scharf and Mr. and Mrs. Eugene Fetter, and the guests of honor, Mayor Emil Hanley, of Rensselaer, Judge Moses Leopold, and Dr. Cecil Johnson. Names of the guests, hosts, and Prom chairmen were contained in the blue leather, gold-stamped, "Velvet Evening" bids.

After the Prom, couples departed for the Curtis Creek Country Club, where dancing and refreshments were enjoyed from midnight until 3:00 A. M., when farewells were said and the Junior Prom for 1951 was officially closed.
